

LAND DISTURBANCE OF LESS THAN 10,000 SQUARE FEET FOR CONSTRUCTION PURPOSE

Owner: _____

Address: _____

I hereby certify that the total land disturbance on my property will be less than 10,000 square feet, which exempts my land disturbance from the requirements of the Erosion and Sedimentation Law.

I understand that land disturbance of 10,000 square feet or more requires an approved erosion and sediment control plan or an agreement in lieu of a plan that establishes control measures that must be implemented to prevent erosion of soil from my property. I further understand that failure to comply with the requirements of the Soil Erosion and Sedimentation Law would result in legal action by the Program Authority to ensure compliance.
