

**AMENDMENT NO. 1 TO ORDINANCE NO. 97-5
ENHANCED 911 EMERGENCY TELEPHONE
SERVICE ORDINANCE
OF
WYTHE COUNTY, VIRGINIA**

A public hearing was held on the 10th day of April, 2001, at 7:05 p.m. in the Board Room of the Wythe County Office Building, 275 South Fourth Street, Wytheville, Virginia, to consider amending Ordinance No. 97-5 entitled, "Enhanced 911 Emergency Telephone Ordinance of Wythe County, Virginia", as follows:

DELETE:

- 3.7 Citizen Initiated Street Names. Those persons wishing to name a street containing less than three (3) residences or businesses must provide the following to the County:
- A. A petition signed by at least three fourths (75%) of the residents or occupants of each residence or business premises located on the street. If there are no such residents or occupants, such a petition may be signed by at least three fourths (75%) of all abutting property owners.

ADD:

- 3.7 Citizens Initiated Street Names. Those persons wishing to name a street or private drive containing more than three (3) residences with at least one (1) residence not visible from a state maintained road, must provide the following to the County:
- A. A petition signed by all 100% of the abutting property owners along the street agreeing to the proposed street name and accepting responsibility for payment of all fees.

DELETE:

- 3.2 Official Map. The names of streets as shown upon the official map of Wythe County, as adopted by the Board of Supervisors, shall be the official names of the streets within the County.

ADD:

- 3.2 Official Map. The names of streets as shown upon the official map of Wythe County, as adopted by the Board of Supervisors, shall be the official names of the streets within the County. The official map should be kept up to date and a copy can be reviewed at the County Administrator's Office.

DELETE:

- 3.6 County Initiated Street Names. When the County becomes aware (through building permits or other information) that an un-named street has three or more active residences or businesses thereon, the County shall advise the owners or tenants in writing that they may petition the Board of Supervisors to name their street. If such petition be filed, and provided that they requested street name does not conflict with existing street names or County policy, the Board of Supervisors may approve the name suggested. The cost of naming streets and providing necessary signage shall be borne by the County.

If no petition has been filed by the residents within 30 days after notification by the County, the Board of Supervisors shall name the street and advise all of its residents or occupants of their new address.

ADD:

- 3.6 County Initiated Street Names. When the County becomes aware (through building permits or other information) that an un-named street has three or more active residences or businesses thereon, the County shall advise the owners or tenants in writing that they may petition the Board of Supervisors to name their street. If such petition be filed, and provided that they requested street name does not conflict with existing street names or County policy, the Board of Supervisors may approve the name suggested. The cost of naming streets and providing necessary signage shall be borne by the petitioners.

DELETE:

- 3.8 Fees to be Charged:

- A. \$150.00 per intersection for installation, plus the cost of the sign(s). All signs to be installed are to be supplied by the County.
- B. \$25.00 per residence or business for mapping changes.
- C. \$25.00 per parcel for new subdivisions.

ADD:

- 3.8 Fees Initially to be Charged:

- A. \$150.00 per intersection for installation, plus the cost of the sign(s). All signs to be installed are to be supplied by the County.

- B. \$25.00 per residence or business for mapping changes.
- C. \$25.00 per parcel for new subdivisions.

Fees shall be reviewed and set periodically by the Wythe County Board of Supervisors.

DELETE:

4.6 Display of Numbers:

- D. Mobile home parks shall have an identification system consisting of a logical, sequential pattern of lot numbers. Such numbers shall be displayed on permanent markers placed on the mobile home or mobile home site fronting the named street or the access way to the named street. Such numbers must be visible from the named street or the access way.

ADD:

4.6 Display of Numbers:

- D. Manufactured home parks shall have an identification system consisting of a logical, sequential pattern of lot numbers. Such numbers shall be displayed on permanent markers placed on the manufactured home or manufactured home site fronting the named street or the access way to the named street. Such numbers must be visible from the named street or the access way.
